About the College

Ezhuthachan College of Pharmaceutical Sciences was established in 2003, is a prestigious Institution under Ezhuthachan National Academy which was founded in 2002 with an aim of stepping into the academic field to bring up intellectual talents in young generation and thus fulfill the desires of The Great Poet Thunchanth Ramanujan Ezhuthachan-Father of Malayalam Language. The campus is located in a grand 11 acre at Marayamuttom, 25km south to Thiruvananthapuram City.

The College has a well designed Administrative Block and various other rooms with well-equipped and maintained laboratories for different specialization in Pharmacy such as Pharmaceutics, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacology, Pharmacy Practice, Pharmacognosy, Microbiology & Biotechnology and Computer Education.

Our college offers M. Pharm (Pharmaceutics, Pharmaceutical Chemistry and Pharmacology), Pharm. D, B. Pharm, and D. Pharm courses. The college is Affiliated to the Kerala University of Health Sciences and approved by the Pharmacy Council of India.

Ezhuthachan College of Pharmaceutical Sciences provides a Learning space for students to nourish their intellectual skills & qualities. The academic system is crafted in such a way that each and every student get an opportunity to think and develop their skills to paramount. We firmly believe that professionalism can be cultivated only through rational ways of thinking and performing. Students are encouraged to come up with their ideas and suggestions in any academic aspects and mainly on innovative research.

Pharmacist plays a major role in health care services of society. Currently the entire pharmaceutical field changes from conventional practice of Pharmacy like storing and drug dispensing to patient oriented practice of Pharmacy which uplift the professional standard of pharmacy. The Pharmacy Council of India also changed the curriculum which mainly focuses in depth on patient counseling aspects for which it includes two Pharmacy Practice subjects in current Education Regulations 2020. Today's curriculum and Pharmacy Education will upgrade the knowledge and skills on par with contemporary and future professional demands which would enable them to be a successful practitioner in the field of Pharmaceutical Sciences.

World Pharmacist Day is celebrated in every year on September 25, with the goal of advocating Pharmacist's role in improving the quality of health care services in society. The occasion of World pharmacist day is a reminder to honour all medical specialists who had extended their invaluable services with empathy, dedication and understanding. This year the theme for World Pharmacist Day is **“Pharmacy Strengthening Health Systems”**.

Ezhuthachan College of Pharmaceutical Sciences is celebrating World Pharmacist Day on September 25, 2023 with variety of programmes which include official function, panel discussion, pharma expo, different competitions etc. We here by invite you to this auspicious occasion of World Pharmacist Day Celebration of our college.
